## GSDCW Building Addition Status

**The building itself is essentially complete.** We're waiting for the right weather to complete the finish grade, the stoop outside the new back door and the sidewalk between the building and the garage. There is a photo gallery showing the progress of the addition at [www.gsdcw.com](http://www.gsdcw.com).

**The lights are up and the concrete sealed.** Vicki and Jack McCutchan donated the lights and we sealed the concrete ourselves, saving around \$400.00.

**We still need some additional things not covered in the building contract:**

- A new furnace for heating the addition (between \$4,000 and \$9,000 pending clarification on what code requirements we need to meet).
- Paneling for the side walls
- 2 overhead fans
- A lot of grass seed
- Rubber flooring for the addition (\$4800)

**We wish to thank** those who have donated to the addition fund so far. We are still taking donations for these items, particularly for the flooring. We are also trying to get enough people who can work a couple of games (day, night, weekends) at **Miller Park** to help with a little fundraising. Depending on the number of games worked, we can make several thousand dollars. There's a **signup sheet** to indicate your interest in the Clubhouse, so please sign up if you can...

Thank you, thank you, thank you.....  
The Board of Directors

## **\$\$\$ MILLER PARK \$\$\$**

Sport service operates 26 permanent concession stands at Miller Park. Each season they contract with Non-Profit Groups to operate some of these stands. It is the Non-Profit's responsibility to provide the personnel needed to operate the stands assigned to them. .

If we participate, The German Shepherd Dog Club would have the opportunity to raise funds and have some fun. Some Club's have earned \$15,000.00 in the Baseball Season. The potential for earning is limited only by the Club's teamwork and commitment to this opportunity.

**The German Shepherd Dog Club would need at least 30 people to commit to this project. This would allow a rotation of club members. So, each one of the workers would work about 5 games each season.**

- The Club would have to agree to sign a binding contract
- The Club would have to supply the appropriate number of volunteers to run the assigned concessions. Groups consist of 6, 10, or 14 people. If the Club had 14 workers we would have first priority for the premiere locations at Miller Park.
- The Club would have to commit to a minimum of working 10 games throughout the Season.

**Sport service would supply:**

- Sportservice would supply the Club workers with shirts and picture I.D. Badges. Each worker will be required to buy a hat for \$5.00 each.
- Sportservice would supply Training.
- Sportservice would supply free parking passes for the workers.

This is a great opportunity for the Club to add to our coffers. **However, keep in mind that how much the Club would earn depends on factors such as fan attendance, weather, the number of games we work and our dedication to making this project successful. 2008 was a great year.**

I know we have shows, trials and other Club activities. However, if we start early in the season it won't interfere with our Shows, Trials, and Other Activities. If we have a number of our members, regular and associate, who will work together, everyone, can do both, Club activities and working at Miller Park.

**More information will follow when we have enough people who have signed up for this opportunity. Sign up sheets will be on the Club's bulletin board. If you have any questions, please give me a call.**

## **TEAM OBEDIENCE TRY OUTS**

Beginning Tuesday, May 5th, try outs for team obedience for the fair (Monday, 8/10/09) and nationals (Friday, 10/16/09 in Springfield, Ohio). Need 4 dogs on a team - but any number of dogs can participate in the practice sessions. Paulette will be the instructor and (alternate, if needed). The dogs needs to be a reliable healer off leash, do a drop on recall and "most importantly" get along with the other dogs that it will be working "very, very, very" close to/with. Along with availability on the above noted dates, Paulette's decision who (and alternates) will be on the team(s) is final. Paulette will schedule the practice sessions and contact everyone -- of course with the above dog(s) performance a must -- all are welcome.

If you want to learn about "what is team obedience come and see" it is also a learning experience to expand your knowledge of the sport of dog obedience and the many events that you and your dog (a team) is very capable of participating in. Come and give it a try, your dog may surprise you how good they are and how far the (team) has come in their training.

If you are interested, please contact,

Paulette

## THANK YOU AMY for a wonderful Freestyle workshop!

At 1pm Saturday March 28th interested/curious club members gathered to learn about Freestyle. The concept, competition, music, moves, timing and the fun training benefits were all explained.

After some discussion, Amy taught.

Working with each dog/handler team so everyone really understood. Then she showed us how to combine a few basic moves and actually appear to be dancing - graceful or not!

At the conclusion Amy and Zena demonstrated a routine to music - missing the costume and a spotlight!

We all had a fun, learning afternoon and appreciate Amy sharing her expertise in this venue with us.

## GSDCW WEBSITE UP-DATE

The GSDCW Website has a new look. If you haven't done so, please visit [www.GSDCW.com](http://www.GSDCW.com). Your feedback on the site is always appreciated. There is a "Contact Us" section available under "The Club" section with all the officers, membership chair, and webmaster.

One of the new features is a "Members" (only) section where you can get to approved minutes, approved financial reports, the Bylaws and Standing Club Rules, etc.

Another new feature is an improved Photo Gallery where you can view individual pictures or select a slideshow for the whole gallery. There are galleries there for several years and one showing the building addition process.

The website will have a new Photo Gallery soon – with your help – called "Our Favorite GSD Photos"! Email your favorite picture (limit 2 per family right now) of a German Shepherd Dog to [webmaster@gsdcw.com](mailto:webmaster@gsdcw.com). It doesn't matter how old or new the picture is but it should be something that will reflect positively on the Club. Please include your name and what caption you would like to have accompany the picture. (If there's no name or caption or if the picture isn't suitable for our website, the Club reserves the right to not use the photo.)

If you haven't received your membership number (used both as your user ID and your first-time password), please send an email to [webmaster@gsdcw.com](mailto:webmaster@gsdcw.com) and you'll get an email back with that information.

You can logon to the site at the top of the Welcome page and the top of the Members page. Click on "Username" to put in your membership number and tab to the right to enter you password. Then press the "Login" button to log on. Press the "Logout" button to log out.

Any problems or questions you might have should go to [webmaster@gsdcw.com](mailto:webmaster@gsdcw.com).
