WORLD of DOGS State Fair Park

Monday AUGUST 4th
10:00 – 6:00 P.M.

On August 6th, the State Fair once again hosts its annual World of Dogs Day at the Fair. This is a one day event promoting all breeds of our canine friends. This event is held in the State Fair coliseum from 10:00 to 6:00 P.M. The event features over 20 breed clubs with booth displays promoting their breed, along with a center ring demonstration area. During the course of the day, there will be team obedience competition, a parade of breeds, fly ball competition, an obstacle course and more.

As many of you are aware, the GSDCW maintains a booth during this day that needs to be manned by at least 2 people and their four-legged friend. We try to schedule the manning of the booth so that no one has to spend more than 1-2 hours in the booth at a time. There will be a sign up sheet for times posted in the clubhouse. One of the more critical times we need help is late afternoon from 3:00– 6:00 P.M., plus if you can lend a hand for tearing down the booth, which happens at 6:00 P.M. Please, come help your fellow club members by volunteering this day.

One final and important item. Since there will be literally thousands of visitors to the coliseum mingling with dogs and people, it is imperative that only dogs with good sound temperament attend.

Any questions regarding the booth can be directed to myself Joe Ziino 920-907-1154, Joe Caputa, or Carol Lumley.

Please clear you calendar for that Monday. As soon as the times for the events are finalized, sign up sheets will be posted in the clubhouse.

May 26th found the GSDCW at our annual Menomonee Falls village Memorial Day Parade. The parade as usual was a big success with a good part of the village residents lining the streets. An enthusiastic crowd greeted us especially as we mingled along the sidelines allowing the children to pet our dogs.

After the parade we returned to Diane Stefonich's house for some relaxing and good food. Thanks Diane for the use of your house.

Mt. Carmel Nursing Home: June 15th

On June 15th, we made our annual Father's Day trek to Mt. Carmel Nursing Home. For 19 years now, we have been putting on demonstrations on Father's Day for Mt Carmel and it seems they never get tired of having us back. The concern with all the recent rain forced us indoors this year where we still performed for a large crowd of residents and their family members. Our turnout of dogs and handlers low this year due to the Futurity, but we still managed to present an entertaining demonstration of obedience and agility.

For those of you who have never attended one of our programs, we provide an overview of how we train our "friends", at the same time providing the audience with an entertaining program. Our program consists of general healing as a group, followed by jumping exercises from open dogs and utility work from our UD dogs. We followed our training program with an agility demonstration. Our four-legged friends as usual did a great job at this event demonstrating their obedience and agility prowess, along with providing some good therapy work before and after the demonstrations.

Participating Members, Mt. Carmel:

Joe Ziino	Molly	Marla Ziino	Peter
Phyllis Griffin	Streicher	Karen Grikstas	Ellie
Patti Thor handling Lexi for Ethyl		Ethyl Forester	

Thanks again everyone who participated at these events, hopefully I didn't miss anyone.

GSDCW—TEMPERAMENT TEST

The weather was glorious and it was a perfect day for the temperament test. The grounds were in perfect condition and the Kritter Kitchen food aficionados prepared and presented, as always, delicious homemade food, salads and desserts.

I want to extend a big thank you to our club member, Jim York, for being a very knowledgeable, experienced and a patient evaluator. Every handler was very appreciative of the way he explained why he scored each individual dog the way he did. Thanks again—hope we can do it again soon.

We had 33 entries, one no-show, with 30 passing along with the youngest being a year old on Saturday, June 14th.

All the dogs went through the stations very soundly without over exuberance. They all happily presented in varying degrees their natural GSD instincts. This test is not about score but about pass or fail. Congratulations to all that passed. With that written, I need to thank all the stewards for making the temperament test event a huge success.

Mark Zupnik (did an extraordinary job flapping his rain poncho in the breeze, comes from experience)

I also want to thank:

- Pam Stoesser—entry taker
- Karen Bautsch—table steward
- Dona Barsul—afternoon gate steward

Comments to me from handlers and stewards a good time was had by all and also did a great job. Thanks to alternate stewards of Tim Brown, Kris Lazniak and Karen Gritkas who ready if needed. Additionally, the handlers and their dogs all had a good time with some enjoying their first educational temperament test experience.

THANK YOU ALL very much for making this event extremely successful and most of all FUN.

Paulette
(Thanks, Pam)

E-MAILS

Please provide us with your e-mail addresses

We would like to be able to keep in touch with you members that have e-mail addresses.

Now of course this may not be as good as a phone call to let you know what is happening or that a training class has been cancelled for bad weather , but if we can send out a mass e-mail to our members when things happen it can only be to keep you up-to-date.

Please get a hold of Linda Cekosh by phone: (262) 754-9892
or by e-mail: lcekosh@tds.net
and let her know what your e-mail address is or has been changed. to.

PRONGED COLLARS

By PETER GAETA

Exhibitors are beginning to exhibit dogs and train them on show grounds using collars and leads with a device clipped inside that has prongs protruding from it that press into the outside of the dog's

(front) (See Photo). The device comes in various sizes and colors. Its use is unacceptable at dog shows.

At its July, 2001 meeting, the Board of Directors adopted the following policy with explanation with respect to training devices:

Training Collars

Special training devices that are used to control and train dogs, including but not limited to, collars with prongs, electronic collars used with transmitters, muzzles and head collars may not be used on dogs at AKC events, except as allowed in the

AKC Rules, Regulations, and policies.

The American Kennel Club recognizes that special training collars may be an effective and useful management device, when properly used, for controlling dogs that might be extremely active, difficult to control on a neck collar, or dog aggressive. These collars are also recognized as possibly useful for gaining control at the start of basic obedience training, essential education that dogs deserve and need.

There is a point at which owners should have sufficient control of their dogs to manage them on regular neck collars, without the use of special training collars. This is the point at which dogs are acceptable on the grounds of AKC competitive events and will have the opportunity to participate in those events.

The only exceptions to this policy have to do with electronic tracking devices which may be used in pointing breed field events, coonhound events and Beagle Trials.

Use of the pronged device referenced above turns any collar into a pronged collar, so its use under any circumstances at dog shows is unacceptable according to present policy. Dogs wearing them are to be excused from competition in the ring, and exhibitors using them outside the rings on show grounds are to remove them. This is a board approved policy, and the Executive Field Staff has been directed to help monitor the use of unacceptable equipment at dog shows. Anyone resisting the policy and repeat offenders are subject to event committee discipline.

The American Kennel Club's primary commitment is to the safety and welfare of dogs at our events.

Thank You

The German Shepherd Dog Club of Wisconsin, Inc

July 2, 2008

Dear Business Owner/Manager:

As the Catalog Ad Manager for the German Shepherd Dog Club of Wisconsin (GSDCW), I ask for your support of our show by placing an ad in the official September 7, 2008 show catalog.

We are expecting over 100 exhibitors to compete as well as spectators and fanciers of the German Shepherd Dog to attend the show. This catalog will list all of the dogs competing in the show and will include your advertisement. Most exhibitors, fanciers and members of our club retain the catalog as a reference or research tool.

Please take a few moments to review the enclosed advertising information. As you can see by the enclosed price list, the cost for this publicity is minimal, but the exposure will be great.

We prefer that you supply us with a camera ready (i.e. sized to your order) ad. If we prepare the layout there is an additional \$10.00 fee. Please submit the enclosed form, layout and payment to me. A complimentary catalog will be sent to you.

I look forward to receiving your ad for placement in our 2008 Annual Specialty Show and Obedience Trial Catalog. If you have any questions, please do not hesitate to contact me.

Sincerely,

Terri McQueen
