## \*BERLINDALE'S MORGAN MCINTYRE UD, RE, CGC\*

**\*July 5, 1995 to July 28, 2009\***

It was love at first sight. Tyler joined our pack at age four months, which already included our two other German shepherds, Casey and Ruby. We soon discovered Tyler was a kleptomaniac and full of mischief. He loved nesting in Dennis' dirty underwear and socks. We would wake up hard objects in the bed . . . shoes!!! There was a time when our young nieces thought his name was Tyler-No.

It was a challenge to teach Tyler Open and Utility, but once he learned the obedience exercises, he loved working/routine. One show in Utility comes to mind . . . he blew it! That boy-dog passed only one exercise. I could hardly look at him so I ignored him all the way home and went upstairs to rest without him. Shortly thereafter, he gently laid beside me, his head on my shoulder, and with his eyes he said, "I'm sorry I let you down." At that moment, he changed me. I realized that no matter the outcome, I would always bring my best friend home. Tyler and I became a team and would earn a Utility title in June 2002. Five years later, he came out of retirement at age 12 to earn a Rally Excellent title.

Tyler never forgot his advanced obedience training. He continued active participation in his daughter, Bailee's, training . . . or could it have been a resurgence of his kleptomania . . . he would retrieve the dumbbell, glove or scented article before I could send Bailee.

From start to finish, Tyler was a sweet, playful and entertaining boy-dog companion.

By Joe Ziino

As another year passes into the history books, it's always good to take a moment to reflect back and take stock of where we've been in order to plan for where we're going. We had another full year of community service in 2009 and from the participation level at our events; I believe it was also a lot of fun for everyone.

I would like to thank all members of the G.S.D.C.W. for the support and participation this past year. Additionally I would like to encourage those members who did not participate to give us a try. Often I am asked, "How can I join P.E.T.S." My standard answer is **YOU ARE** already a member of P.E.T.S., come and join us at any of our events. Our requirements are simple. **We are very informal, we like to have fun at our events and we like to party!** Come as often or as little as you wish; everyone is welcome.

We try to schedule at least one event per month consisting of some form of community service or promotion of the G.S.D.C.W. **Since we do interact with the public, dogs must be of sound temperament.**

Additionally, I would like to thank those key individuals who do a lot of the legwork in helping organize, schedule and run these events. (Hopefully I didn't miss anyone)

## Club Reports & Up-dates

### Buildings & Grounds

As you can see if you have been at the club we still have even more progress in the new part of the building. The walls are taking shape thanks to several club members that have devoted time to help with this project. Thank you goes out to Mark Weiss for fixing up the bathroom problems.

We also have good water pressure once again due to a combination of problems with the pipes / well / new parts etc. the water pressure is really good now. No more waiting for the sink to fill so we can do dishes Ha Ha!

# BY LAWS CHANGE

"We are asking to change the Bylaws for 2 reasons. First, the direction and activities of the Club have changed in the last 62 years from being primarily a social organization to that of an education and teaching organization with our training and community outreach programs.

Secondly, the German Shepherd Dog Club of Wisconsin is currently a not-for-profit corporation with a tax designation of 501(C)-4. This makes the GSDCW exempt from federal income taxes, a significant financial benefit, but we're not exempt from either State sales tax or local property taxes.

Organizations with a tax designation of 501(C)-3 are eligible to apply for exemption from State sales taxes and local property taxes. We are hopeful that if we can change designations, we will save the Club money going forward, potentially more than \$3600 per year.

In order to apply for a change in designation, we have to update our Articles of Incorporation and our Bylaws to reflect the change in direction and activities for the Club in such a way that will meet the guidelines for a 501(C)-3."

## **ARTICLE II – Objectives**

### **Section 1. Purpose.**

#### **Educational**

To educate the owners and handlers of AKC (American Kennel Club) registered German Shepherd Dogs in the proper manner of training and handling German Shepherd Dogs. To educate the general public, including both adults and children in the safe meeting, greeting and interaction with dogs, especially large dogs such as German Shepherds.

To educate owners and the general public on the principles and guidelines of the AKC program regarding responsible dog ownership. To educate the general public and elected officials about dog safety and to work in conjunction with dog advocacy groups to develop appropriate legislation to protect the general public and the breed.

The German Shepherd Dog Club of Wisconsin also holds educational seminars covering a range of subjects of interest to serious dog breeders and exhibitors.

#### **Charitable**

To assist in fund raising for and advertising of the Humane Society and other rescue organizations including (but not limited to) Humane Animal Welfare Society of Waukesha and the German Shepherd specific rescue operations around the state including (but not limited to) American German Shepherd Rescue Association, German Shepherd Rescue Alliance of Wisconsin, Badgerland German Shepherd Rescue and White Paws.

To assist in fund raising for the German Shepherd Charitable Foundation, which promotes education regarding and research into the health concerns of the breed.

To contribute to law enforcement organizations providing funds to acquire, train, maintain and supply protection gear for canine officers.

### **Section 2. Objectives.**

The objectives of the club are:

1. to adhere to and promote the “Standard of the German Shepherd Dog” as approved by the AKC, breeders, judges, dog show committees and others as the recognized “Standard” by which the breed shall be judged;
2. to protect, advance, and improve the interest of the breed by supporting and conducting breed, obedience, agility and all-breed performance events, matches and trials for which the

club is eligible under the Rules and Regulations of the AKC;  
and

3. to aid, by every means possible, in demonstrating the versatility of the German Shepherd Dog and their conspicuous abilities as Companion dog, War dog, Police dog, Red Cross dog, Service dog, Search and Rescue dog and Leader dog for the Blind.

The club shall be perpetuated in the spirit in which it was founded; as an organization of German Shepherd enthusiasts seeking individual and collective knowledge and pleasure in the study of and education regarding the breed.
